To Workers Who Stand

There is a special value in the
DR. A. REED CUSHION SHOE
for men and women whose work
keeps them on their feet.

Continuous standing produces a
strain that only the best shoe feet
are equal to. In these shoes the
sole cushion forms a comfortable
bed that fits exactly the curves of
the foot sole. The weight is thus
borne evenly by all parts of the
foot, preventing extreme fatigue in
the arches, ankles and calves.

You will notice the difference in
an hour after putting them on.

Most styles \$7 to \$9.

SOCIALIST VOTE IN CITY WORRIES OLD PARTY MEN

Gain in New Districts Here,
but Fall Off Elsewhere
Throughout Country.

The showing made by the Social-
ists in New York prompted leaders to
declare to-day they will be strong
enough to compel the incoming Tam-
many Administration to keep its
pledges to bring public service cor-
porations under municipal control.

Leaders of the old political parties
admit the increase of the Socialist
vote gives them something to worry
about, although they don't admit the
Socialists are destined to play an im-
portant part in future political con-
flicts throughout the country. The
Socialists lost everywhere, except in
New York City, on Tuesday. In Chi-
cago their vote fell off; in Dayton
their three candidates for the City
Commission lost; in Syracuse and in
several Ohio towns their vote slumped
appreciably; they lost one Assembly-
man in Schenectady, their stronghold
in the East.

But in New York the volume of the
vote more than tripled, and what was
of more concern to leaders of other
parties, it spread to sections of the
city heretofore free from it.

The Socialist victories in the mu-
nicipal contest included the election
of at least seven members of the

Soldiers Want Books to Read SEND YOURS TO CAMP!

THE EVENING WORLD has arranged
the following plan whereby you can
send books and magazines to the army
camps where there is an immediate
need for good reading material:

THE JUNIOR AMERICAN GUARD, a boys'
military organization with headquarters at No.
70 Wall Street, has volunteered the services of
its 3,600 boys in this district to call, in uniform,
at the homes in Greater New York and solicit
and collect such books and magazines as you may
have to give to our soldiers. Their canvases will
continue for two weeks.

THE AMERICAN LIBRARY ASSOCIATION
will deliver the books and magazines, collected
by the Junior Guard, to the army camps, by the quickest means pos-
sible. The New York Public Library has offered its branches as re-
ceiving stations, to facilitate collections.

WHAT BOOKS AND MAGAZINES TO GIVE.

BOOKS particularly are wanted. WAR LITERATURE of all kinds;
personal narrative, military text-books, wireless telegraphy, sub-
marines, automobiles, aviation, first aid, French grammars and dic-
tionaries. FICTION of all popular kinds: sea stories, romances,
historical novels, standard poetry, books of short stories, humorous
writing. Also histories of the European nations at war.
MAGAZINES are not wanted if over two months old. Late issues
of all the popular fiction publications and scientific magazines are very
acceptable. Both books and magazines should be in good condition,
for they must undergo considerable wear and tear.
To assist in the canvases, if you have books or magazines to give, send
a postal card bearing your name and address to the Camp Library
Editor, New York Evening World.

LET YOUR BOOKS DO THEIR BIT AT THE CAMPS, TOO!

PHILADELPHIA VOTE STOLEN, IS CHARGE

Penrose Faction, Alleging Fraud,
Declares It Will Start Gen-
eral Prosecutions.

PHILADELPHIA, Nov. 8.—The
Town Meeting Party leaders this
morning announced their intention to
carry the fight over the result of the
election into the courts. They main-
tain that the anti-Vare-Smith ticket
won and allege wholesale fraud in the
balloting. They promise that scores
of warrants will be served for elec-
tion officials they intend to prosecute.
In a formal statement late to-day
they declared their belief in the auc-

rem of their ticket. The soldier vote,
they asserted, would overcome the ex-
tremely small majorities credited to
the Republican organization candi-
dates.
Complete but unofficial returns of
the vote cast in Philadelphia show
that the candidates of the regular
Republican organization for city of-
fices led by majorities ranging from
2,747 to 3,640.
The Vare faction will retain control
of City Councils, but by a greatly re-
duced majority. Thirty-three of the
candidates for Common Council in-
sured by the Town Meeting Party
were elected.
Senator Penrose is behind the Town
Meeting Party, which was organized
after the political riots that resulted
in a murder on Primary Day.
District Attorney Roten, having the
support of all factions, was re-elected
by a large plurality.

Elected by 68 Per Cent. Vote,
E. Stanton Clarke, brother of Louis
L. Clarke, President of the American
Exchange National Bank, New York,
was elected Mayor of Tenney. M. J. on
a citizens' non-partisan ticket by the
largest majority ever polled by a candi-
date there. Mr. Clarke received 68 per
cent of all the votes cast.

ADENTIFRICE has but one main
purpose—to clean the teeth.
Dentists know this—they are not
misled by extravagant claims or by
exaggerated statements in favor of
"over-medicated" preparations.

They prefer Colgate's Ribbon Dental Cream both for
what it does, and does well—and for what it does *not*
do, and makes no claims to do.

You, too, should prefer it for the same reasons—for its
safe cleansing action, for its mild antiseptic properties
(which go as far as is safe or advisable), and for its
delicious flavor which makes the twice-a-day care of
the teeth a pleasure.

Backache of Women

How this Woman Suffered
and Was Relieved.

Fort Fairfield, Maine.—"For many
months I suffered from backache caused
by female troubles so I was unable to do
my house work. I took treatments for it
but received no help whatever. Then
some of my friends asked why I did not
try Lydia E. Pinkham's Vegetable Com-
pound. I did so and my backache soon
disappeared and I felt like a different
woman, and now have a healthy little
baby girl and do all my house work. I
will always praise Lydia E. Pinkham's
Vegetable Compound to women who suf-
fer as I did."—Mrs. ALTON D. OAKES,
